

Empire Marina Bobbin Head - NSW *Lat 33°39'65"S - Long 151°09'74"E*

Empire Marina Bobbin Head is located 24km north of Sydney City in Ku-ring-gai Chase National Park. The marina provides direct access to the cruising grounds of Cowan Water, Pittwater, Brisbane Waters and the Hawkesbury River system as well as safe ocean access.

The location is one of outstanding natural beauty with over 600 nautical miles of coastline fringing the deep waterways. The many sheltered anchorages provide for year round family boating pleasure. Numerous public moorings are located throughout the National Park.

Empire Marina Bobbin Head is proud to be certified as Clean Marinas Level 3—the highest level obtainable. Ensuring that the pristine waterways of Ku-ring-gai Chase are preserved for future generations is central to the culture of high standards and excellent service at our family owned and operated, multi-award winning marina.
